Tracking Volume

Landing Page View: When someone views your unique agent page.

Hot Lead: When a potential client starts the signup process, but leaves before payment.

Client: A local business paying for advertising.

A screenshot of a dashboard interface. At the top, there's a navigation bar with 'Promote', 'Affiliates', 'Learn', and 'Account'. The main content area has a congratulatory message: 'Congrats! your clients are paying \$1,750 a month! Great Job! keep promoting your landing page and earn more commissions!'. Below this, there are three statistics: 'Clients: 5', 'Average Subscription: \$125', and 'Landing Page Views: 1,744'. To the right of the views is a yellow button that says '9 HOT LEADS'. The dashboard is divided into two main sections. The left section is titled 'Get Clients' with an icon of a person pointing at a document, and a 'FIND' button. The right section is titled 'Manage My Clients' with an icon of a person at a computer, and a 'MANAGE' button. At the bottom right, there is a 'Chat with us' button and a blue notification bubble with a red '1'.

*Landing page views, hot leads, and clients, and subscription amounts are tracked in your dashboard
